

Duncan Davis

## CAPT. DUNCAN DAVIS gets things done . . .

Much has been happening in these last few weeks at Brooklands Flying Club. The painters and the painters' mates have "done the whole place over" with considerable artistic success.

Negotiations have been going on between the Brooklands Flying Club and Brooklands (Weybridge) Ltd., for taking over the latter's social responsibilities, and joint membership bargains have been re-established with Northampton Aero Club, Cinque Ports and The South Coast Flying Clubs. In fact, everything is now just as it ought to be.

And this is where *you* come in . . . if you take up a full flying membership of Brooklands you are automatically enrolled as a member of all the above-mentioned clubs, free, gratis and for nothing!

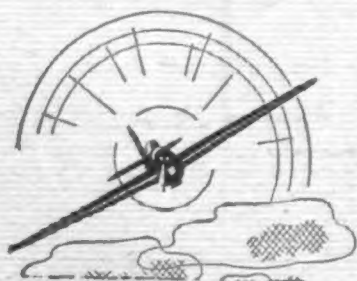

It therefore seems reasonable to me that if you intend to gain all the manifold benefits of becoming a Brooklands Flying Club Member for the 1938 Season, you could do no wiser thing than take up the matter not soon, but right away.

'Phone me or drop me a line and we will send you all the data.

# BROOKLANDS

Telephone—Byfleet 436-7-8.

Nearest Station—West Weybridge.

Kindly mention "Flight" when corresponding with advertisers.
